At a time when going to the store or visiting family and friends at the hospital could potentially be a health concern, St. Luke’s Lehighton Campus is providing a safe and comforting option to bring a smile to your favorite patient.

Choose a personalized basket and card message, order over the phone with our dietary team member, provide the name and room number, and within 48 hours a basket and a smile will be delivered to your loved one.

**Smile Baskets**

*Each basket is personalized; allergy and dietary needs can be accommodated. The dietary member will work with you to supply replacement choices if needed.*
