

COVID-19 VACCINATION RECORD

Patients who have Lost their Proof of Vaccine Card:

Using both of these options, the patient will receive a medical record printout verification; they will *not* receive an actual replacement CDC vaccination card.

MyChart

1. Log into your St. Luke's MyChart account: <https://www.slhn.org/mychart/login>
2. Under the "Menu" dropdown at the top left corner of the screen, under "My Record", click on "COVID-19"
3. Download and print your vaccination Record

Medical Records Release Process *(there is no charge for the vaccination record)*

1. Go to: <https://www.slhn.org/patients-visitors/medical-records>
2. About halfway down the screen, refer to the "Requesting Your Record" Section
3. Click on the "Medical Information Release" link to print out and complete the release form.
 - "X" the OTHER box, and write in: COVID-19 Vaccination Record
 - ***If you would like the record emailed back to you, be sure to do the following:***
Enter your email address in the "I authorize: _____ to release my medical Records to:" section
4. Submit the form to Medical Records via one of the following methods:
 - Email: releaseofinformation@sluhn.org
 - Mail to: St. Luke's Medical Records, 77 S. Commerce Way, Bethlehem, PA 18017
 - Fax to: 833-932-1185
 - Questions? Call Medical Records at 484-526-4719
